Organic Skeeter Beater

(with K-neem)

4 oz. Garlic Barrier AG+
4 oz. K-Neem
1 Tbs. Apple Cider Vinegar

Pour above ingredients into 1 gallon spray container with sufficient water to fill. Spray barrier in shrubs, damp areas and grass. Try to spray as much area as possible. This will become your mosquito barrier, Mix only what you intend to spray at one time as this spray is perishable and must be used within 24 hours after mixing.

Effective for 3 weeks, unless a hard rain
